Rotary Centennial Celebration

District 6970 has been given a truly unique opportunity to celebrate our centennial. We're asking each and every club in the District to take part in the

Rotary 100th Anniversary Gridiron Classic.

In honor of Rotary's 100 years of service, Wayne Weaver, a Rotarian and CEO of the Jacksonville Jaguars, has agreed to donate \$5.00 to the Rotary Foundation for each ticket sold through this promotional program. In addition, District Governor Ken Baker will match that donation from District funds, for a total of \$10.00 to the Rotary Foundation.

Our goal is to sell 1000 tickets and make a \$10,000 contribution to the Foundation.

Ticket Prices: \$24, \$41, \$65 (block seating is available)
